“for a short quotation, or a series of small quotes, separated by blank lines.”

“for use with longer quotations, of more than one paragraph, because it  
indents the first line of each paragraph.

for use with longer quotations, of more than one paragraph, because it in-  
dents the first line of each paragraph.

for use with longer quotations, of more than one paragraph, because it in-  
dents the first line of each paragraph.”

roses are red  
violets are blue  
this poem is dumb  
and so are you
